

ASSOCIATION OF OFFICIAL SEED ANALYSTS

HONORARY MEMBERSHIP APPLICATION

Nominations for "Honorary" membership in AOSA must be received by the Membership Committee *on or before April 30th of the year application is made* prior to the annual meeting of the Association. Please review the procedure and submit the necessary information for your nominee to: Laura Donaldson, Chairperson, AOSA Membership Committee, Indiana State Seed Laboratory, Purdue University, 175 S. University St., West Lafayette, Indiana 47907.

HONORARY MEMBER DEFINITION:

Any person who has rendered signal service in one or more of the following fields of activity of the Association is eligible for Honorary Membership.

- (1) Promoting uniform laboratory methods and practices through seed research.*
- (2) Conducting referee tests among seed analysts of the Association for the purpose of developing uniform techniques.*
- (3) Furthering the exchange of ideas among laboratories and among individual workers*
- (4) Fostering effective workable seed control legislation and regulation*
- (5) Promoting a more general appreciation of the benefits of seed testing to farmers and seedsmen.*
