## Advertising with us will:

Promote your company to seed technologists worldwide.

Expand brand name recognition and market your products directly to active seed laboratories throughout North America and the rest of the world.

The Association of Official Seed Analysts (AOSA) and Society of Commercial Seed Technologists (SCST) are the largest seed testing organizations in North America and are recognized internationally.

***Don't miss this chance to directly market your products to the consumers you need to reach!***

## Fee: **\$250**
