

Editorial – Dennis TeKrony59

IUFRO TREE SEED SYMPOSIUM PAPERS

Applicability of Nondestructive Techniques in Seed Research /
Carmen Rafaela Carvajal, J. A. Vozzo, Ramesh Patel, and Asmita Roy.....61

**Temperate and Tropical Tree Seed Physiology and the
Economy of Nature / R. H. Ellis.....69**

Seed Research in the United States – and its Future /
Miller B. McDonald.....78

**Ethephon (2-Chloroethylphosphonic Acid) Combined with
Short Prechilling Improves Germination in Stored Beechnuts /**
Claudine Muller, Elyane Laroppe.....83

**Freezing Response in Scots Pine Seeds as Assessed by DSC and
Germination Test / Gunnar Sven Pamuk, Urban Bergsten, and
Philippe Lingois.....92**

**Early Growth of Ramon (*Brosimum alicastrum* Sw.) and Relationships
Between Seed Weight and Seedling Size / Aníbal Niembro Rocas.....104**

**Recalcitrant Behavior of Cherrybark Oak Seed: An FT-IR Study of Desiccation
Sensitivity in *Quercus pagoda* Raf. Acorns /**
Sharon Sowa and Kristin F. Connor.....110

**Effect of Maturation on Seed Germination of
Dalbergia cochichinensis Pierre / Le Quang Hung.....124**

**Germination of Horse Chestnut Seeds – Cell Growth and Hormonal
Regulation / Natalie V. Obroucheva and Olga V. Antipova.....128**

**Testing of Endogenous Germination Periodicity in *Picea glauca*,
Pinus contorta and *Pinus banksiana* Seeds / B. S. P. Wang.....140**

**DNA Changes in Naturally and Artificially Aged
Longleaf Pine (*Pinus palustris* Mill.) Seeds /**
E. L. Tolentino, Jr., W. W. Elam, and F. T. Bonner.....149

**Germination Changes of *Picea abies* Seeds at Water-based
Pretreatments / Eila Tillman-Sutela, Anu Hilli and Anneli Kauppi.....168**

**Effect of Liquid Nitrogen Storage on Seed Germination of
51 Tree Species / Jill R. Barbour and Bernard R. Parresol.....183**

Additional Symposium ABSTRACTS

Ecophysiology of Seed Germination in <i>Pinus halepensis</i> and <i>P. brutia</i>: the Role of Light / Costas A. Thanos and Antonis Skordilis.....	191
Preliminary Studies on Seed Longevity of <i>Pongamia pinnata</i> / Maitreyee Kundu.....	192
Germination of <i>Citrus grandis</i> L. Seeds and Seed Greening Disease Testing by PCR (Polymerase Reaction Chain) / Le Quang Hung.....	192
Histological Study on Seed Ageing in Sunflower (<i>Helianthus annuus</i> L.) Hybrid KBSH-1 and Its Parental Line / P. R. Renganayaki and V. Krishnasamy....	193
Standardization of Planting Ratio for Hybrid Seed Production in Sunflower (<i>Helianthus annuus</i> L.) Hybrid KBSH-1 / P. R. Renganayaki and V. Krishnasamy.....	193
Reforestation on Airplane Sowing Tree Seeds Treated with Electrostatic Field in Northern Mountains of China / Zhibin Gui, Shengdi Wu, Limin Qiao.....	194
Genotype Influences on Acorn Nutrient Concentrations (<i>Quercus robur</i> L.) / N. Nikolic, S. Orlovic, and B. Krstic.....	195
Storage of Scarified <i>Acacia cyanophylla</i> Seeds / Beti Piotto, Elisabetta Falleri, Raffaello Giannini, Giuseppe Tranne.....	195
Effect Size and Density of Seeds on Seed Quality in <i>Terminalia chebula</i> and <i>Terminalia bellirica</i> / M. Sivaprakash, G. Dharmaraj, P. R. Renganayaki and M. Jayaprakasam.....	195
Standardization of Seed Extraction Methods in <i>Terminalia chebula</i> Retz. (Kadukkai) and <i>Terminalia bellirica</i> Roxb. (Thandrikai) / M. Sivaprakash, G. Dharmaraj, P. R. Renganayaki and M. Jayaprakasam.....	196
Seed Storage Studies in <i>Terminalia chebula</i> and <i>Terminalia bellirica</i> / M. Sivaprakash, G. Dharmaraj, P. R. Renganayaki, M. Jayaprakasam.....	197
Seed Handling Practices of Janum (<i>Syzygium cuminii</i> skeels) / I. Vijayaraghavan, P. R. Renganayaki, G. Dharmaraj.....	198
Relationship Between Cone Weight and Seed Traits as Revealed by Several Years on <i>Cedrus atlantica</i> Individuals at Tala-guilef (Djurdjura, Algeria) / F. Krouchi and A. Derridj.....	198
Variation in Cone and Seed Traits Among Provenance of <i>Cedrus atlantica</i> Manetti in Algeria / A. Derridj and F. Krouchi.....	199
A Conservation Strategy for Dwarf Birch (<i>Betula grandulosa</i> Michx.) a Species of Concern in New Brunswick / K. Forbes, T. Beardmore.....	199
Induction of Tolerance to Desiccation and Cryopreservation in Silver Maple	

(<i>Acer saccharinum</i>) Embryonic Axes / T. Beardmore and C. Whittle.....	200
Effect of Soaking, Moist Chilling, and Temperature on Germination of <i>Acer pensylvanicum</i> Seed / A. Bourgoin and J. D. Simpson.....	201
Maturity and Temperature Stratification Affects the Germination of <i>Styrax japonicus</i> Seeds / Mark S. Roh, Jo-Ann Bentz, Paul Wang, Ercheng Li, Masaji Koshioka	201
Longleaf Pine Seed Health: Efficacy of Chemical Treatments / James P. Barnett.....	202
Improvement in Storability of Ashwagandha (<i>Withania somnifera</i> Dunal) Seeds Through Pre-storage Treatments by Triggering Their Physiological and Biochemical Properties / V. Vakeswaran and V. Krishnasamy.....	203
Effect of Seed Priming in Pea (<i>Pisum sativum</i> L.) Seeds / V. Vakeswaran, A. Vijayakumar and R. Jerlin.....	203
Standardization of Germination Test Procedure in Ashwagandha (<i>Withania somnifera</i> Dunal) / V. Vakeswaran, V. Krishnasamy.....	204
Physiological and Biochemical Changes During Seed Development and Maturation in Ashwagandha (<i>Withania somnifera</i> Dunal) / V. Vakeswaran, V. Krishnasamy.....	204
Effect of Boron on Seed Yield and Resultant Seed Quality in Pea (<i>Pisum sativum</i> L.) / V. Vakeswaran, A. Vijayakumar and R. Jerlin.....	205
Quantitative and Qualitative Changes in Seed Quality During Seed Development and Maturation in Pea (<i>Pisum sativum</i> L.) / V. Vakeswaran, A. Vijayakumar and R. Jerlin.....	205
Effect of Spacing and Fertilizer Level on Growth, Seed Yield and Resultant Seed Quality in Pea (<i>Pisum sativum</i> L.) cv. Bonneville / V. Vakeswaran, A. Vijayakumar and R. Jerlin.....	206
Technology for Synthetic Seed Development in Aswagandha (<i>Withania somnifera</i> Dunal) / V. Vakeswaran, V. Krishnasamy.....	206
Influence of Plant Growth Regulators in Germination of <i>Withania somifera</i> Dunal Seeds / V. Vakeswaran, V. Krishnasamy.....	207
Mid-storage Correction to Prolong Shelf Life of Seeds in Sunflower (<i>Helianthus Annuus</i> L.) Hybrid KBSH-1 and Parental Lines / P.R. Renganayaki, V. Krishnasamy.....	207
Preliminary Studies on Seed Longevity of <i>Pongamia pinnata</i> / Maitreyee Kundu.....	208
